

## President's Message December 2005

**Notice:** There will be no monthly meeting scheduled for December. It is a very busy time of year for all of our members and families. Locations for meetings are hard to find in December as well. Our next meeting will be held in January. Date, Time, and Location will be announced in the January Newsletter.

**News:** Long Island Chevelles is proud to announce yet another member discount program. Atlas Plastic Media Blasting of NY. Pete, the President of Atlas has offered our membership a 10% discount on media blasting. Atlas offers both plastic and aluminum oxide blasting services and will do small parts up to entire cars. Check the website at: [www.atlasmediablastingofny.com](http://www.atlasmediablastingofny.com)

Long Island Chevelles is currently looking for a location for our January Meeting. If any member knows of a spot near the Nassau/Suffolk border that we could meet please let the club know. We were thinking maybe a Starbucks or Dunkin Donuts along Rt. 231. The meetings are usually about  $\frac{1}{2}$  hour long and maybe a dozen or so members show up.

The details for the Charity Poker Tournament are still being worked out and the date will probably be sometime in mid-February. Both the Charity of record and the location are not chosen as of this writing.

AND HOW'S THIS FOR NEWS.....55 MEMBERS!!!!!! WOW

**Events:** The Englishtown Show/Drags event was a major success. Everyone involved had a great time. Please read the press release posted [here](#) recapping the event. We will be headed back to Englishtown next year with the dates being worked out already.

Chevell~abration 2006: June will be here before you know it...and so will the 'Grand-daddy of 'em All'. The annual pilgrimage to the world's largest gathering of Chevelles is June 8<sup>th</sup>, 9<sup>th</sup>, & 10<sup>th</sup>. More than just a car show this event is a complete Chevelle festival for the whole family. It's a car show, swap meet, cruise-in, drag race, poker run, mystery cruise, restoration seminar, BBQ cookout, and awards banquet all wrapped into one event. Southern hospitality at its best located just outside Nashville Tennessee. To attend you must be an [ACES](#) member. Make those reservations now as the local hotels have started filling up already. The 10<sup>th</sup> annual Chevell~abration is just around the corner. You can read a past Chevell~abration review [here](#).

If Chevell~abration might be too much for your schedule this year please consider the regional events like the Maryland Chevelle Club's [Northeast Regional](#) or the Can-Am Chevelle Club's [Northern Regional](#). We would like to make the Can-Am Northern Regional a full club event. So if possible, clear your schedules and make it to this one.

We've had several new members join over the past few months and we would like to welcome them all to the club. **We also ask of the members, both new and old to submit photos for the website and feel free to write an "[On The Road](#)" story or an article for our [Tech Articles](#)**

If any members would like to set up events for the club, please feel free to do so. Shows, Cruises, Festivals, Scavenger Hunts, Rally's. You set it up and we'll give it a go. Lets us know what you're planning and we'll get the word out.

**Weekly Cruises:** Although is cold most of the cruises have stopped for the season. Below we have listed some of the cruises we participated in throughout the cruising season. *As President of The Long Island Chevelles Car Club and avid motor-sports enthusiast, I would welcome a 1/4 mile track back to Long Island. A facility with a hotel would allow organizations to host shows and events on a regional and national level. Please Visit [www.longislandchevelles.com](http://www.longislandchevelles.com)*

On behalf of the Executive Board of the Long Island Chevelles we extend our warmest wishes to both you and your families this holiday season. Have fun, be safe, and have a Happy New Year.
