

## President's Message January 2005

Welcome, to all the new members of Long Island Chevelles and congratulations to its founding members for all of their hard work getting this club off the ground. Despite our name, LIC is not just for Chevelles and we're not just for Long Islander's. LIC serves the areas of NY, NJ, and CT. People from anywhere in the U.S. and Canada are welcome to join. We also consider family members, like wives and children...Honorary Members. We at LIC also would like to honor persons who, through their constant efforts on a large scale further the interests in our hobby. For such reasons we have named Chuck Hansen of Nashville TN a LIC Life Member. Chuck is the president of A.C.E.S. (The American Chevelle Enthusiasts Society) and co-host of Horsepower TV.

I hope both our members and visitors are enjoying the website. We have worked hard to set up the site and provide you all with informative news, upcoming events, tech articles and photographic entertainment. If anyone, member or visitor would like to make any comment or suggestions regarding the site, please feel free to e-mail the club.

We ask that all members and frequent visitors contribute to the site with photos, links, tech articles, and articles for "On The Road". Classifieds are reserved for members at this time.

We would also like to thank our sponsors for helping get us off the ground. If anyone knows of a business who would like to sponsor our club, please get them the appropriate information available at our "Sponsor's" page. All members may advertise their own business on our sponsor's page free of charge.

LIC welcomes input and ideas of its members and invites all members to explore any shows, events, cruises or festivals that we can attend as a club. Please bring any related information to the meetings.

We are also exploring the idea of a Long Island Chevelles Store, were we can make and distribute clothing and other items containing our logo. Therefore we need to come up with a logo that would look good and represent our name. If anyone can design a logo, has suggestions for a logo, or has a friend or family member that can design a logo for us please e-mail the club.

Website updates will be done at minimum of the 1<sup>st</sup> and 15<sup>th</sup> of each month, but we will work hard to update the site whenever new info becomes available.

The announcement of our first full club meeting will be made by February 1. We ask that all members try to make an attempt to make the meeting. We have not decided on a specific date or location as of yet, but I'm sure It'll be a place with something to eat.

Good luck on all your winter projects and keep spreading the word...  
Long Island Chevelles the fastest growing club in the Tri-State Area.

Regards,  
Rob Mirabile #001
