

President's Message November 2005

MEETING ANNOUNCEMENT: The November Meeting will be held on Nov 6, 2005. Sunday morning at 10AM. The location will be the swap-meet area of the car show at Belmont Racetrack. Belmont is located just off the intersection of Hempstead Tpke & Cross Island Pkwy. I will have a vendor spot in the swap meet area, look for a Black Suburban with a 'Long Island Chevelles/Coors Light' banner hanging off the side. We will have the meeting there.

News: Congratulations to all members. It was just about a year ago that the 5 founding members met to discuss starting this club. In less than a year we now have over 50 members from Nassau, Suffolk, Queens, Brooklyn, Manhattan, New Jersey, and Tennessee. He will be hosting our second event later this month and the club continues to prosper. As President, I am proud of our accomplishments and the hard work and involvement of the membership. We have collectively assembled a diverse group of automotive enthusiasts with a common goal. Together we will continue to make friendships and develop our continued respect for classic automobiles.

Colton Camaro Project: Again I would like to thank all the members who donated to this worthy cause. The project has been completed and all proceeds in excess have been placed in an educational fund. For more info and some press releases on the Colton Camaro click [HERE](#) and [HERE](#) and [HERE](#)

Events: We are headed back to Englishtown to the fall Factory Stock Drags and Show. Saturday November 12. We will be hosting a small show at this event. We have over 50 goody bags along with lots of free-bies in the "Tent-Area" made up for show participants. We ask that all members attempt to solicit a donation from a local store or restaurant in the form of a product or Gift Certificate for use as Raffle Prizes.

The Englishtown Show and Drags will also be "FAMILY DAY" for Long Island Chevelles. We invite all members to attend with their families (children included). We will be setting up a BBQ feast for the day. The kids will

enjoy the races and the pit area and it's a great opportunity for all the wives and girlfriends to get a chance to meet each other. Look for future e-mail with details as they come in. **All members must respond to the e-mails that have been sent out regarding this event. We need this information so we can properly prepare.**

If any members would like to set up events for the club, please feel free to do so. Shows, Cruises, Festivals, Scavenger Hunts, Rally's. You set it up and we'll give it a go. Lets us know what you're planning and we'll get the word out.

Drag Racing Returning to Long Island???

Visit [Top Gun](#) and sign the petition. Please include comments... as an Idea here are the comments that I left on the petition:

As President of The Long Island Chevelles Car Club and avid motor-sports enthusiast, I would welcome a 1/4 mile track back to Long Island. A facility with a hotel would allow organizations to host shows and events on a regional and national level. Please Visit www.longislandchevelles.com

Keep Spreading The Word...

Long Island Chevelles the fastest growing club in the Tri-State Area.

Regards,

Rob Mirabile #001
