

## President's Message February 2006

It has been a busy month behind the scenes. Collecting dues, website work, and event scheduling for the coming season has kept us working non stop. I'm pleased to announce our new club Webmaster, Duane Emery member #053. Duane will be re-vamping the entire site. The new site will be informative, entertaining, and will make us stand out among the numerous club sites on the web. I do ask that members please try to cooperate when receiving e-mails regarding the new site. In the coming weeks, e-mails will be sent out asking for photos and information to be used on our new website. Please try to get the information back to the club as soon as possible. All requests for website information are voluntary, but we do ask that you reply to the requests even if you don't wish to participate, just let us know that you are taking a pass on it.

Our charity poker tournament has taken a stall due to scheduling difficulties. The event will hopefully go off by the months end. Notice may be short. We ask that members gather their friends and family interested in playing, with a tentative date of Feb. 20. We are also looking for people who can deal. If you know of anyone who is willing to donate their time to deal in this tournament please let the club know.

Member Steve Walk is exploring the possibility of a Poker Run Charity/Fundraiser. Steve requires the assistance of 5 members to help him with this venture. All interested members should e-mail the club.

We are pleased to announce the addition of Rock Auto to our club. Rock Auto is an on-line parts store that has offered Long Island Chevelles members a discount incentive on parts and accessories. Visit Rock Auto at [www.rockauto.com](http://www.rockauto.com)

Club clothing is still available.

- T-Shirts and Tank Tops are available at every meeting and event.
- Orders for Sweatshirts and Baseball Style Hats now being taken. [E-mail](#) the club to request an order form.
- Club jackets are available. They are special order only and prices range from \$40-\$175 and everywhere in between. Order forms will

be available at meetings and events. The forms can be e-mailed upon [request](#) and will be available on the new website when completed.

Long Island Chevelles Feature Car!!!! Who wants the first feature?? Long Island Chevelles will be running a Feature Car Article. This article will be done once each quarter. Interested parties should e-mail a few photos of the car (In-progress photos are OK as well) along with a short history and write up, including why your car should be chosen as a feature car. The car that is chosen each quarter will get its own section of the website for the entire calendar quarter along with a variety of photos and an on-line magazine style article.

On the lighter side here is a link to a Daily News article on a different type of [CAR CLUB](#).

## February Meeting:

### Outstanding Dues will be collected at the February Meeting
