News

The cold winter months are almost over. We've been working hard trying to plan for the spring cruising season. If you're working on a winter project, you'd better get it done soon.

Over the last month members Rob Mirabile and Art Capelle were special guests on Motor-Mouth Radio. It's a weekly auto related radio show on 90.3FM Sundays Noon to 1PM. If you missed the show, click on over to our home page and follow the link to listen to a recorded version.

The new 'Members Only' section of the website is up and running. It will be a work in progress and we look forward to input from the membership with regard to what they would like to see in this private area. E-mail the club or the Webmaster for suggestions or password information. Don't forget the new classified section; Members and Non-Members should keep their ads up-to-date by editing and removing when changed or sold.

Member Steve Walk, with the help of members Drew Amitrano and Lou Scotto-Lavino are working towards setting up a show this year in partnership with another club; Details to follow.

Art Capelle has researched doing a track rental day. The club will be renting a New Jersey track on a weekday in September. In the next few days you'll receive an e-mail with the date, costs, and payment details. If we get enough members to participate we'll rent the track. It should be a perfect day to do some test and tune with no pressure. It's also a great opportunity for novice and first timers to get used to the track and the lights. Tentative date is Wednesday September 19.

Special Thanks to member Drew Amitrano and the guys at Dr. Drew Performance and TKX Performance in Huntington Station for hosting our February Meeting.

The event season is right around the corner. Our traditional kickoff will once again be the Garden City Easter Parade. The last few years, several members have attended. The parade will be held on Easter Sunday, April 8th 2007. When registration forms are available we'll send out an e-mail with full details.

Our own Commerce Bank Cruise will begin the Sunday April 22 at 7:00 PM and each Sunday thereafter through Thanksgiving. Commerce Bank is located at the corner of Jericho Turnpike and Herricks Road in Mineola. No Burnouts, no littering please.

Other island-wide Cruise-ins will be added as the dates, times and locations are made public. If you know about a 2007 cruise-in, and would like to see it listed please e-mail the club.

Events

We have several upcoming events listed on the website both out of town and local. In April we would like the club members to participate in a spring Poker Run & Cruise, scheduled for April 22. In May we'll be attending the spring show hosted by the Long Island GTO Club.

Several out of town trips are planned as well. In June, Chevell~abration 2007 held outside Nashville, Tennessee. In July we have the Northern Chevelle Gathering, a traditional club favorite held near scenic Niagara Falls, New York. Also in July is the Northern Regional held just outside Cleveland, Ohio. This year's Northern Regional is a new location and is being hosted by the Northern Ohio Chevelle Club. Many members have committed to attending some of these out of town shows already. All three of these shows are family friendly and members are encouraged to bring the family along for a mini vacation of Chevelle madness. Guys traveling solo will have fun as well, either way members are encouraged to try and make one of the events, you won't be disappointed.

If you're thinking about attending an out of town event, visit the website for registration and hotel information. Make your reservations now as the host hotels will fill up fast. If you're not sure, make the reservation anyway, as you could always cancel if it doesn't

work out. For more information about these events e-mail the club and/or visit TeamChevelle.com

Long Island Chevelles TV:

In the winter months and are limited in the amount of footage we can tape, LICTV will air reruns on both its channels. We will continue to add shows to [Google Video](#) and [YouTube](#) until all the episodes are available on-line. More recently we have completed the production of the Chevell~abration DVD set. A specially edited DVD set with over 3 ½ hours of footage from the [10th Anniversary, Chevell~abration 2006 event](#). Ordering info can be found at [Long Island Chevelles](#), [Team Chevelle](#), or by calling the American Chevelle Enthusiasts Society at 615-643-2237, 7-11PM central time, weeknights. The DVD is also available for purchase at East Coast Chevelle. A portion of the proceeds will benefit the Cameron Hanson Memorial Fund.

Feature Car:

Long Island Chevelles is on the search for our next feature car. We are looking for cars that are completed, have a great background story, and are owned by members of the club. If you think your car and the story behind it, is worthy of a [Long Island Chevelles Feature](#), send in a few photos and a paragraph or two.

East Coast Chevelle:

Our main club sponsor is East Cost Chevelle. Dave the owner and club member has continued to offer his showroom to us for meetings. We would like to offer our thanks and appreciation. East Coast is now stocking club merchandise as well.

You can pick up Shirts, Sweatshirts, and DVD's at the East Coast Chevelle Showroom. Need something Chevelle related? Give Dave a call you won't be disappointed.

March Meeting:

The March meeting will be held on Sunday March 25, 2007 at East Coast Chevelle Restoration Parts. The meeting will begin at 7:30PM, please bring a folding chair with you. Coffee and donuts will be served.

East Coast Chevelle is located 40 Burt Dr. Building #9, Deer Park, NY 11729, 631-242-8707
